To celebrate the release of their tenth studio album, **THE PATH OF TOTALITY**, legendary rockers **KoЯn** performed live to a sold-out crowd at the famed Hollywood Palladium. With this album, **KoЯn** changed the rock landscape again — with a genre-defying foray into electronic and dubstep music, mixed with the innovative brand of metal **KoЯn** helped create. This performance showcases the band in top form, highlighting landmark songs including “Freak On A Leash” and “Falling Away From Me” as well as new smash hits such as “Get Up!” and “Narcissistic Cannibal.” Joining **KoЯn** onstage were several of the DJs who collaborated on **THE PATH OF TOTALITY**, including Skrillex, 12th Planet, Flinch, Downlink, Excision, Datsik and Kill The Noise.
